Note from Pine Shores President...

Hello Once Again, My Friends,

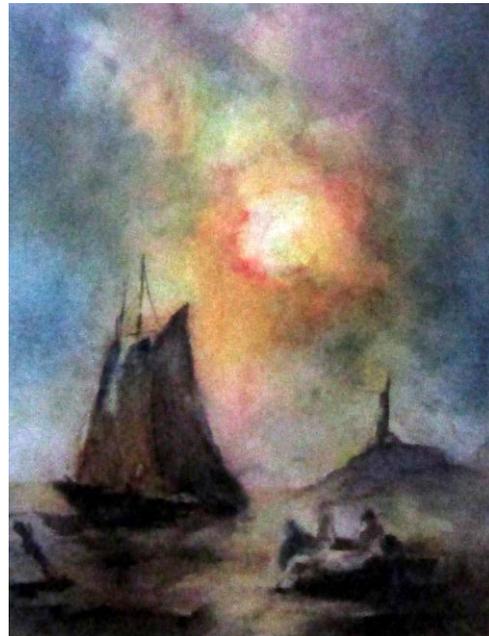

As you have probably noticed the Board has reworked our logo a bit to make it more reflective of what our association is all about. The founders' intent when designing the logo over 40 years ago, was to have as its base the image of a palette with pine trees and the shore in the foreground representing our title "Pine Shores Art Association". Through the years the palette has become virtually unrecognizable as such.

MaryBeth McCabe took the lead and designed this updated version. The entire Board contributed suggestions. We tweaked the original to make it more readily recognizable as an art association which serves the needs of the community from the Pine Barrens to the shore.

We hope you like it!

Another job we undertook was to update the bylaws which govern our Association. Small revisions to update the language to be compliant with 2025 standards. Dennis Millar is inserting the new bylaws on our website. I hope you'll take a few minutes to read through them to learn more about why we do the things we do, as well as the way we do them.

Along the topic of changes, in August I'll be forming a committee to select candidates to run for the offices of President and Vice President. My term, as well as Linda Saladino's, will expire at the end of 2025. This process formerly took place in September, which didn't give people much time to think about whether they might want to throw their hat in the ring. If any of you think you might, we invite you to attend a couple of Board meetings to get a feel for what we do. If you're interested, please let us know and we'll put you on the ticket.

Lonny Hall, President
